Dear Mr. Crapo:

On August 15, 2001, a field compliance inspection was conducted in the W½ of Section 1, T. 17 S., R. 13 W., the site of which you submitted a Notice, which was accepted on December 3, 1998. The notice was serialized UTU-072892.

Our inspection revealed that no activity has ever taken place at the site of this notice. Moreover, we contacted the Utah Division of Oil, Gas and Mining (UDOGM) about that agency's case file for this operation, and were told that you had not paid the yearly fees that were due July 31, 2001.

If you wish for this case file to remain open, please inform us when you have paid the administration fees to UDOGM within 30 days of receipt of this letter. Otherwise, we will close the case file.

Sincerely,

Jerry Masnfield
Geologist
